

Medical/Pharmaceutical Sales Representative

Allergy Services of America (ASA), LLC

Allergy Services of America is a healthcare service provider based in Chapel Hill, North Carolina with regional offices in Texas. We partner with primary care physicians, ENT's, pulmonologists and pediatricians, to deliver gold standard allergy testing and immunotherapy that is customized for individual patients.

We are currently seeking an experienced, field-based Medical/Pharmaceutical Sales Representative with an established network of physicians, hospitals and outpatient providers, for the purpose of establishing allergy labs in their offices.

Requirements/Skills:

- Two plus years of medical sales experience with a proven track record of converting accounts
- Established network of physicians, hospitals and outpatient providers
- Work experience in a healthcare environment preferred
- Ability to work both independently and in a team setting to meet company goals
- Allergy experience is a plus but not required
- Bachelor's degree required or relevant experience

Compensation:

- Independent contractor agreement/1099 employee
- Fee based compensation structure

Equal Employment Opportunity

ASA is committed to the principle of Equal Employment Opportunity for all employees and applicants. It is our policy to ensure that both current and prospective employees are afforded equal employment opportunity without consideration of race, religious creed, color, national origin, nationality, ancestry, age, sex, marital status, sexual orientation, or disability in accordance with local, state and federal laws.

Americans with Disabilities Act

Applicants as well as employees who are or become disabled must be able to perform the essential job functions either unaided or with reasonable accommodation. The organization shall determine reasonable accommodation on a case-by-case basis in accordance with applicable law.
